

# SOCIETY OF ST. VINCENT DE PAUL

## JULY 2018

### MID-AUGUST IS THE TARGET FOR PANTRY COMPLETION

What a rainy summer. Despite the weather not cooperating, the construction of the St. Bernard's food pantry is forging ahead. The goal is to be completed in less than one month.

Installing plumbing.

### HELP AREA STUDENTS GET THE SCHOOL SUPPLIES THEY NEED

The new school year is less than a month away and the **Youth Ministry's Backpack Program** is underway.

Last year over 100 backpacks, filled with new school supplies, were distributed in our area schools.

Things many of us take for granted such as school supplies can make a huge difference to children in need.

\$15 will get a child a new backpack and supplies. Area kids can start school with new much needed supplies.

**St. Vincent de Paul** died on September 27, 1660, canonized in 1737 and declared patron saint of all works of charity.

**MARKETING YOUR THRIFT STORE**

The national [SVDP thrift store website](#) is a wonderful resource for marketing, merchandising and much more.

Communicating with your customers, donors, and other community members is critical. This site offers tips and ideas such as:

1. Secure their emails idea: Offer a “Loyalty Card”. Customers must register to receive this card that, for example, will provide them with 20% off purchases. The registration provides vital information, including email addresses, to enable you and your team to affordably communicate thrift messaging.
2. The best message we can share with likely customers and donors is impact. How is the Society helping local people? This message of hope resonates with people. No need to refer to your store as the biggest, best, cheapest. Instead remind the public that the Society’s thrift is a charity that helps people.
3. Reinforce the Society’s brand and mission to shoppers within your store. Using overhead announcements and signage works well.
